

Our authors

BORIS L. AGRANOVICH,

Candidate of Technical Sciences, Professor of Management System Optimization Department, Head of Information Technologies Department in National Research Tomsk Polytechnic University, honored figure in higher education of the Russian Federation, RF President Prize holder in Education.
E-mail: agroboris@ramber.ru

ALEXANDRA V. ASTAFJEVA,

Editor of Public Relation Center, National Research Nuclear University "MEPHI".
E-mail: KVNigmatullina@mephi.ru

SERGEI B. VENIG,

Doctor of physico-mathematical science, Professor, Dean of faculty of nano- and biomedical technologies, National Research Saratov State University named after Chernyshevsky N.G., honored figure in higher education of the Russian Federation.
E-mail: wenigsb@mail.ru;
sergey.venig@gmail.com

ALEXANDER M. GUSENKOV,

Senior Teacher of Theoretical Cybernetics Department, Institute of Computing Mathematics and Information Technologies, Kazan (Volga Region) Federal University.
E-mail: Alexandr.Gusenkov@ksu.ru

ALMAZ M. GALIMOV,

Candidate of Pedagogical Sciences, Associate Professor, Deputy Vice-rector for innovative activity, Kazan (Volga Region) Federal University, honored inventor of RT.
E-mail: almazga@rambler.ru

NIKOLAY N. DOVZHENKO,

Doctor of Technical Sciences, Professor, Director of Oil and Gas Institute, Siberian Federal University.
E-mail: n.dovzhenko@sfu-kras.ru

NAIL F. KASHAPOV,

Doctor of Technical Sciences, Professor, Corresponding Member of AST and of Russian Academy of Engineering Science, Vice-rector for innovative activity of Kazan (Volga Region) Federal University, honored inventor of RT.
E-mail: kashnail@gmail.com

NATALIA V. KOZLOVA,

Associate Professor of Education and Psychology Department, Head of Education Department, Penza State Technological.
E-mail: knv@pgta.ru

VLADIMIR I. KOLMAKOV,

Doctor of Biology, professor, Vice-Rector for Academic Affairs of Siberian Federal University.
E-mail: vkolmakov@sfu-kras.ru,
vladimkv@lan.krasu.ru

IVAN N. KOSHOVKIN,

Candidate of Technical Sciences, Executive director of JSC "TomskNIPIneft"
E-mail: KoshovkinIN@nipineft.tomsk.ru

VLADIMIR S. KUGURAKOV,

Candidate of physico-mathematical science, Associate Professor of Theoretical Cybernetics and Information Technology Department, Kazan (Volga Region) Federal University.

E-mail: Vladimir.Kugurakov@ksu.ru

ALEXEY S. KULAKOV,

Quality Assurance Deputy Director of EleSy Company.

E-mail: alexei.kulakov@elesy.ru

VLADIMIR M. KUTUZOV,

Doctor of Technical Sciences, Professor, Rector of Saint Petersburg Electrotechnical University "LETI", Winner of Russian Federation Government Prize for Science and Technology in 2002

E-mail: vmkutuzov@eltech.ru

RUSTAM KH. LATYPOV,

Doctor of physico-mathematical Science, Director of Numerical Mathematics and Information Technology Department, Kazan (Volga Region) Federal University.

E-mail: Roustam.Latypov@ksu.ru

ANDREI S. LATYSHEV,

Deputy head of Human Resources Department, JSC "TomskNIPIneft"

E-mail: LatyshevAS@nipineft.tomsk.ru

ELENA G. LEONTJEVA,

Candidate of Philosophy, Associate Professor of International management Department of National research Tomsk Polytechnic University.

E-mail: leoeg@mail.ru

DMITRY S. MEDVEDEV,

Senior teacher of Innovation Management Department of Tomsk State University of Control Systems and Radioelectronics.

E-mail: 2i.medvedev@gmail.com

MAKSIM G. MELKOZEROV,

Candidate of Technical Sciences, Associate Professor of Conditioning, Refrigerating and Low-Temperature Engineering Department, head of Center for Open Education, Siberian State Aerospace University.

E-mail: mmg2002@mail.ru

BESARION CH. MESKHI,

Doctor of Technical Sciences, Professor, Rector of Don State technical University, honored figure in higher professional education of the Russian Federation, RF Government Prize Winner for Education.

E-mail: reception@donstu.ru

VASILIIY B. MOISEEV,

Doctor of Pedagogical Science, Professor, Rector of Penza State Technical Academy, honored figure in higher professional education of the Russian Federation, honored figure in RF higher education.

E-mail: rector@pgta.ru

VLADIMIR P. NAZAROV,

Candidate of Technical Sciences,
Professor, head of Flight-Type
Engine department, Siberian State
Aerospace University.

E-mail: dzamilyam@mail.ru

KSENIYA V. NIGMATULLINA,

Master student of High Technology
Economics and Management Faculty,
National research Nuclear University
"MEPhI".

E-mail: KVNigmatullina@mephi.ru;
KseniyaNigmatullina@gmail.com

EVGENY A. NUYANZIN,

Candidate of Technical Sciences,
Associate Professor, Deputy
Director for Academic Affairs of
National Research Mordovian State
University.

E-mail: nuyanzin@yandex.ru

ANDREY A. POSDNYAKOV,

Elecard Group President.

E-mail: Andrey.Posdnyakov@elecard.ru

MARINA V. POKROVSKAYA,

Senior teacher, deputy head of
Electronic Facilities Engineering and
Technology Department, Moscow
state Technical University of Radio
Engineering, Electronics and
Automation.

E-mail: mar-pokrovskaya@yandex.ru

ANATOLY I. POPKOV,

Head of Educational Program
Department in "Elecard Device",
manager of Multimedia Processing
On-Chip Systems Educational
Program.

E-mail: anatoly.popkov@elecard.ru

DMITRIY V. PUZANKOV,

Doctor of Technical Sciences,
Professor, Head of Computing
Technology Department, Saint
Petersburg Electrotechnical University
"LETI", honored scientist of the
Russian Federation (2004),

заслуженный деятель науки РФ
(2004), RF President Prize Winner for
Education (2000), RF President Prize
Winner for Education (2009).

E-mail: dvpuzankov@eltech.ru

PETR V. SENIN,

Doctor of Technical Sciences,
Professor, Vice-rector for scientific
affairs, National Research Mordovian
State University, honored scientist of
Mordovia, honored figure in higher
education of the Russian Federation.

VICTOR V. SIDORIN,

Doctor of Technical Sciences,
Professor, Vice-rector for quality,
Head of the Department "Electronic
Facilities Engineering and
Technology", Moscow State Technical
University of Radioengineering,
Electronics and Automation, honored
scientist of the Russian Federation,
honored figure in higher professional
education, RF Government Prize
winner.

E-mail: sidorin@mirea.ru

SERGEY O. SHAPOSHNIKOV,

Candidate of Technical Sciences,
Associate Professor, Head of
Information and Methodical Center on
Engineering Education Development,
Saint Petersburg State Electrotechnical
University (ETU), honored figure in
higher professional education.

E-mail: SOShaposhnikov@eltech.ru

MIKHAIL Y. SHESTOPALOV,

Candidate of Technical Sciences,
Vice-rector for scientific affairs, Saint
Petersburg State Electrotechnical
University (ETU), St. Petersburg
Government Prize winner.

E-mail: MYShestopalov@eltech.ru

NATALIYA N.SHUMSKAYA,

Candidate of Technical Sciences,
Vice-rector for methodical affairs,
Don State Technical University,
honored figure in higher professional
education.

E-mail: nshumskay@dstu.edu.ru
